

Dear Friend,

This year marks Hospice Care Network's 19th Annual Tully Golf Classic. This event has become a tradition at Hospice Care Network and is one of our most successful fundraising events. It has raised close to \$1,500,000 in net income for Hospice's programs and services during the last 19 years.

Hospice Care Network is a leader in end-of-life care serving more than five million people who reside in the counties of Nassau, Suffolk and Queens. Each day we serve approximately 425 patients, their families and friends at their homes, in nursing homes, hospitals and at our very special Hospice Inn. Hospice Care Network provides support to the family through an interdisciplinary team of professionals and volunteers. For more than 20 years, Hospice Care Network has been able to help over 43,000 patients and their families; enrolled over 800 children in the Children's Bereavement Camp; and provided over \$10,000,000 in free care and non-reimbursed programs to children and families.

Thank you for the important part you have played in making Hospice Care Network one of the largest and strongest hospices on Long Island. We would not be able to accomplish any of our goals without the friendship and support of individuals such as you. On behalf of the patients and families who benefit from your generosity, we thank you once again.

We look forward to seeing you on September 20th!

Sincerely,
The Tully Golf Classic Committee
